Dear Friend:

I am writing first of all to thank you for your wires to me about our left hand pitcher. I am writing to confirm my offer. I will give him \$250.00 a month with a promise of a bonus if his pitching and the business warrants it. Every team wants a good left han pitcher, and if he measures up we will not fall out about money.

I believe I told you we are going to train in Jacksonville, and will open camp April 1st.

Are you sure he has not signed anything with The Greys. If he has I know they will claim him. If he has not, tell him not to.

Again thank you for your cooperation. I will be looking to hear from you.

Very Truly Yours
